

# RKEO

## A pliable sanding tool for wide belt sanding and disc sanding

*In the furniture industry the demand for finer and more beautiful surfaces continues, and as such, the importance of surface treatment and lacquer sanding is growing. Ekamant is acknowledged as developing high quality sanding materials to answer these demands.*

- RKEO is a rigid universal product with semi-open coating for hand sanding as well as lighter machine sanding of all kinds of wood.
- RKEO has an E-paper backing and in combination with the full resin bond system specially designed for excellent adhesion of the sanding grains to the backing material.
